About Super Gases

Super Gases is a trusted name in the supply of industrial and medical gases, serving hospitals, manufacturers, fabricators, and research institutions with consistently pure, safe, and reliable gas solutions. Backed by strict quality control and a customer-first approach, we ensure every cylinder that leaves our facility meets the highest industry standards.

Our Mission

To deliver high-purity industrial and medical gases with unmatched consistency, safety, and speed—empowering the industries we serve to operate at their very best.

Our Vision

To become the most trusted gas supply partner in the region, recognised for quality, innovation, and dependable service across every sector we touch.

WHY CHOOSE US

Certified Purity

OUR JOURNEY

SUPER GASES

Super Gases, Opp Maruti Showroom, Bharuch Jambusar
Main Road, Amod Dist. Bharuch, Gujarat

9904222606 / 7016903021

GST No. 24AGUPL0202F1ZS

OUR PRODUCTS

Argon Gas

Ar

PURITY 99.98% & 99.999%

APPLICATIONS

- Inert shielding gas for welding and high-temperature industrial processes
- Shield gas during arc welding — protects the metal being worked on from oxygen
- Used in metal fabrication, steel production and heat-treatment processes

INDUSTRIES SERVED

Welding

Fabrication

Steel

Manufacturing

STORAGE & SAFETY

Store cylinders upright in a dry, well-ventilated area away from direct sunlight and heat sources. Secure cylinders to prevent tipping and keep valve protection caps in place when not in use.

Bulk orders & enquiries: 9904222606 / 7016903021

03

Carbon Dioxide

CO₂**PURITY** Industrial Grade & Food Grade

APPLICATIONS

- Widely used across the food industry — carbonating drinks and cooling products
- Acts as an inert gas in welding processes and in fire extinguishers
- Used as a pressurizing gas in air guns and in enhanced oil recovery

INDUSTRIES SERVED

Food & Beverage

Welding

Oil & Gas

Fire Safety

STORAGE & SAFETY

Keep cylinders upright in a cool, ventilated space. CO₂ displaces oxygen in enclosed areas — ensure adequate ventilation during storage and handling.

**Bulk orders & enquiries: 9904222606 / 7016903021**

OUR PRODUCTS

Nitrous Oxide

PURITY **Medical Grade**

APPLICATIONS

- Significant medical use for its anaesthetic and pain-reducing effects
- Widely used in surgery and dentistry as a safe, fast-acting anaesthetic
- Also used as an anaesthetic chemical for veterinary purposes

INDUSTRIES SERVED

Hospitals

Medical

Dental

Veterinary

STORAGE & SAFETY

Store in a designated medical-gas area, upright and secured. Handle strictly according to pharmaceutical and medical-gas safety regulations.

Bulk orders & enquiries: 9904222606 / 7016903021

SUPER GASES

Super Gases, Opp Maruti Showroom, Bharuch Jambusar

05

Dissolved Acetylene (DA)

PURITY Industrial Grade

APPLICATIONS

- The only fuel gas that can be used for welding
- Ideal for brazing, cutting and flame gouging of metals
- Suited for spot heating, hardening, texturing, cleaning and thermal spraying

INDUSTRIES SERVED

Welding

Fabrication

Metal Cutting

Construction

STORAGE & SAFETY

Always store and transport acetylene cylinders upright. Keep away from open flame, sparks and heat — acetylene is highly flammable and must be handled by trained personnel only.

Bulk orders & enquiries: 9904222606 / 7016903021

OUR PRODUCTS

Hydrogen

H₂

PURITY 99.88%

APPLICATIONS

- Used for cleaning, pickling and electroplating of metals
- Applied in refining mineral ores and in petroleum well extraction
- Used in leather tanning and refining of fats, soaps and edible oils
- A key input in producing polymers, plastics, rubber, fertilizers, dyes and pigments

INDUSTRIES SERVED

Chemical

Petroleum

Leather

Manufacturing

STORAGE & SAFETY

Corrosive gas — store in a cool, dry, well-ventilated area away from moisture and incompatible materials. Handle only with appropriate protective equipment.

Bulk orders & enquiries: 9904222606 / 7016903021

07

Helium Gas

He

PURITY 99.999% (Grade 5) & 99.9995% (Grade 5.5)

APPLICATIONS

- Used to inflate blimps, research balloons and celebration balloons
- Serves as an inert shield gas for arc welding applications
- Used for pressurizing liquid-fuelled rocket fuel tanks
- Applied in supersonic wind tunnels for aerodynamic research

INDUSTRIES SERVED

Aerospace

Research

Welding

Events

STORAGE & SAFETY

Store cylinders upright in a well-ventilated, temperature-controlled area. Being lighter than air, ensure the storage area has adequate high-level ventilation.

Bulk orders & enquiries: 9904222606 / 7016903021

OUR PRODUCTS

Calcium Carbide

PURITY High Grade Industrial Quality
Gas Yield: Up to 295 L/Kg

APPLICATIONS

- Used for the production of **Acetylene Gas** for welding and cutting.
- Widely used in **steel manufacturing** and metallurgical industries.
- Suitable for **chemical manufacturing** and industrial processing.

INDUSTRIES SERVED

Welding

Chemical Plants

Steel

Manufacturing

STORAGE & SAFETY

Keep in airtight containers in a cool, dry place. Protect from moisture and water as contact generates acetylene gas. Handle using proper PPE.

Why Super Gases

Every cylinder we deliver reflects our commitment to purity, safety, and service excellence.

High Purity

Rigorously tested gases meeting industrial and medical-grade standards.

Fast Delivery

Reliable, on-time delivery across the region for uninterrupted operations.

Quality Assurance

Consistent quality control from filling to final delivery.

Industrial Solutions

Tailored gas solutions for diverse industrial applications.

Trusted Supplier

A dependable partner trusted by hospitals and industries alike.

Competitive Price

Fair, transparent pricing without compromising on quality.

Customer Support

Responsive support team ready to assist whenever you need us.

Certified Products

Products that meet recognised industrial safety certifications.

CALCIUM CARBIDE

HIGH QUALITY. HIGH PURITY. MAXIMUM PERFORMANCE.

Calcium Carbide is a versatile chemical compound widely used for industrial applications. When reacted with water, it produces acetylene gas, making it an essential raw material in welding, metal cutting, and various chemical processes.

HIGH PURITY
Manufactured using high-grade raw materials for superior purity and consistent quality.

HIGH GAS YIELD
Produces maximum acetylene gas for efficient and cost-effective operations.

WIDE APPLICATION
Ideal for welding, cutting, metal processing, chemical synthesis, and laboratory use.

SAFE PACKAGING
Packed in strong, durable drums to ensure safe handling and transportation.

RELIABLE QUALITY
Tested and verified to meet industry standards for dependable performance.

IDEAL FOR

- WELDING & METAL CUTTING
- CHEMICAL INDUSTRY
- STEEL & METAL INDUSTRY
- LABORATORIES
- ACETYLENE GAS PRODUCTION
- RESEARCH & DEVELOPMENT

MSCC WIRE

HIGH CONDUCTIVITY. SUPERIOR PERFORMANCE.

MSCC (Mild Steel Copper Coated) Wire combines the strength of mild steel with the excellent conductivity of copper. Widely used in welding applications, it ensures stable arc, smooth performance, and consistent results.

HIGH CONDUCTIVITY
Copper coating ensures excellent electrical conductivity for efficient current flow.

STRONG & DURABLE
High tensile strength and durability for long-lasting performance.

STABLE ARC
Provides stable arc performance with less spatter and smooth welds.

CONSISTENT QUALITY
Manufactured with strict quality control for uniform coating and size.

CORROSION RESISTANT
Copper layer protects base metal and welds, ensuring longer shelf life.

IDEAL FOR

- INDUSTRIAL WELDING
- INDUSTRIAL FABRICATION
- SHIPBUILDING & REPAIR
- CONSTRUCTION & INFRASTRUCTURE

DURA CYLINDER

FOR ALL PURPOSE

Dura Cylinder is a heavy-duty, high-performance storage solution designed for a wide range of industrial, medical, and specialty gas applications. Built for safety, durability, and long-lasting use.

HIGH DURABILITY
Made from premium quality stainless steel for maximum strength and corrosion resistance.

SAFE & RELIABLE
Engineered for safe storage and transport of gases under high pressure.

MULTI-PURPOSE USE
Ideal for industrial, medical, laboratory, and research gas applications.

LONG LASTING
Built to deliver consistent performance and a longer service life.

QUALITY ASSURED
Manufactured with strict quality standards to ensure reliability and peace of mind.
